

CERTIFICATE OF QUALIFIED PERSON

I, R.Tim Henneberry, P.Geo. of 2446 Bidston Road, Mill Bay, B.C. V0R 2P4, do hereby certify that:

I am the Qualified Person of:

Passport Metals Inc.

608 - 1199 West Pender Street
Vancouver, B.C. V6E 2R1.

I earned a Bachelor of Science Degree majoring in geology from Dalhousie University, graduating in May 1980.

I am registered with the Association of Professional Engineers and Geoscientists in the Province of British Columbia as a Professional Geoscientist.

I have practiced my profession continuously for 27 years since graduation.

I have read the definition of "qualified person" set out in National Instrument 43-101 ("NI 43-101") and certify that by reason of my education, affiliation with a professional association (as defined in NI 43-101) and past relevant work experience, I fulfill the requirements to be a "qualified person" for the purposes of NI 43-101. My relevant experience for the purpose of this Technical Report is:

- 27 years of exploration experience for base and precious metals in the Canadian Cordillera

I am responsible for the preparation of the technical report titled "43-101 Technical Report Gilda Project" and dated March 22, 2008 and relating to the Gilda property. I visited the Gilda property on October 25, 2007, reviewing the outcrops and taking several samples.

I have not had prior involvement with the property that is the subject of the Technical Report.

As of the date of this certificate, to the best of my knowledge, information and belief, the Technical Report contains all scientific and technical information that is required to be disclosed to make the Technical Report not misleading.

I am currently a director of Passport Metals Inc., and therefore cannot be considered independent of the issuer after applying all of the tests in section 1.4 of NI 43-101.

I have read NI 43-101 and Form 43-101F, and the Technical Report has been prepared in compliance with that instrument and form.

Dated this 22nd day of March, 2008.

"signed and sealed"

R.Tim Henneberry, P.Geo
